

ENGLAND HANDBALL ASSOCIATION APPROVED VENUE LIST

The England Handball Association recognises the lack of appropriate venues within the UK and hence has set a category system to alleviate the problem caused by lack of venues. Teams are able to apply for dispensation for their courts based on the availability of suitable courts in the area. Hence dispensation will be granted for venues in a lower category dependent on the distance/availability of higher category courts. Where higher category courts are readily available dispensation will not be granted for lower courts in higher leagues.
