

Announcement of EHA EGM

Following a meeting of the Board of the England Handball Association, and recent consultation with members, I am writing to confirm that an Extraordinary General Meeting of the EHA will take place at 12.00 on Saturday 18 March 2017 at Loughborough. The formal notice of the meeting is attached, detailing the resolution to be covered at the meeting, together with a separate document outlining relevant information for the resolution.

Members will have the opportunity to raise any questions with the board prior to voting. The Board recommends voting in favour of Resolution 1. To pass, the resolution requires the approval of 75% of members voting in person or by proxy.

A Proxy Voting Form is also attached to enable members that cannot attend the meeting in person to register their votes. These should be lodged with David Meli, via email – david.meli@englandhandball.com – by no later than midday on Friday 17 March 2017.
